That was rough, trying to resist falling asleep...
So Sim-He! We need to work on arranging the frames, so let's hurry.
Speaking of which, the opening is tomorrow, right?
Yeah.
Can I come ?
Sure! I'd be gratful if you come by!
Well ..., you don't have to.
Okay.
You have to go before me though. I need to talk to the teacher.
미안ㅎㅎ
It's for the future career advices.
Alright.
Grrrr !
싹싹
Over there also !
Push ! Push ! Harder !

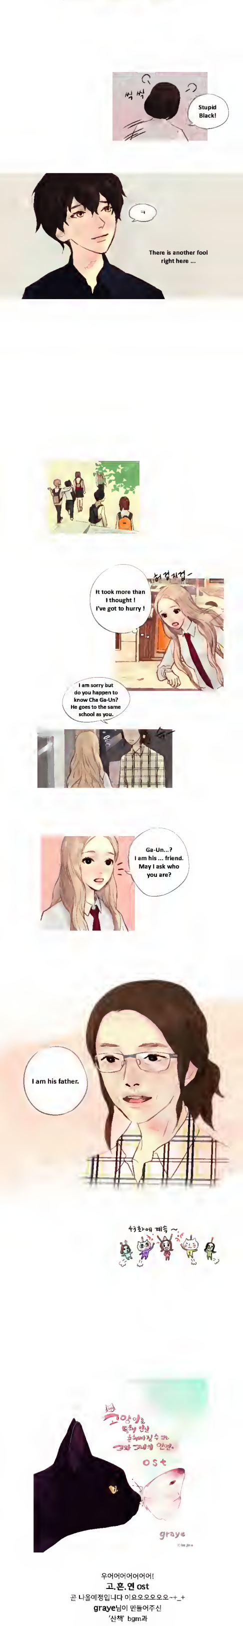
Finally ... It's over. For now.
Here.
Good work.
You didn't put poison in this, did you ?
투닥
Will you quit being a dork ?!
It was a joke ! A Joke !
꿀꺽
...... Can I ask you why you chose to be a human ?
If you tell me first, sure.
투닥
Just tell me!
You tell me first !
Fine, Fine.
Now... Where and how should I begin...
I was a homeless cat. As usual, I was going through garbage bags.
I think I ended up eating some bad food. I eventually passed out. A man found me.
He took me to a vet and helped me
And then few days later...
How is the cat doing?
She is doing a lot better. You can take her back with you now.
Uh..., she isn't my pet ...
Is that so ...? What to do ... We can't take her in here.
I will ...
I will take her.
After he took me in, I had peaceful and happy days.
Eventually, I started to love him.
Those days ... Every day was like a dream.
Until she came along ...
At one point, he started to go out frequently and eventually brought a woman home.
When I saw them converse...
I became really angry...
Eek !
Kkami?! What have you done ?!
When I found the golden fishes and became a human,
I rushed to meet him to show what I've become.
But he was holding the woman's hand already at that point ...
And his expressions...
He looked happy...
Kkami...
I've finally found a woman
Who I can love.
I want you to like her...
And then ?? Have you gone back to see him again ?
.... I have. Once.
He was married and seemed to be living well... Good for him.
Why are you looking at me like that?
Now it's your turn.
I'd rather not.
배 째~
You dork! I am not interested anymore!
투닥
ACK !
By the way, your name is Kkami? Haha
Well, duh. You are Black. Not much better.

* Kkami (까미) : Shortened and slangized (sp?) version of Black.



투닥
Nothing's wrong with Black!
Nothing's wrong with Kkami !
Stupid Black!
ㅋ
There is another fool right here ...
It took more than I thought ! I've got to hurry !
허겁지겁~
I am sorry but do you happen to know Cha Ga-Un? He goes to the same school as you.
Ga-Un...? I am his ... friend. May I ask who you are?
I am his father.
